

The image displays two handmade craft projects. The first is a round, light-brown cardboard box lid with a yellow circular center. It features three paper flowers (one pink, two green) on green stems, and a white ribbon tied around the middle. The text '{ DU bist } EINMALIG' is printed in a decorative font. The second project is a square card with a yellow border and a brown center. It has a large pink and yellow flower with green leaves, a smaller pink flower, and a black button. The text 'Für Dich' is printed at the bottom. A circular logo with the text 'Kreativ-Idee' and a pair of scissors is positioned between the two projects.
