## Show 'n' Tell

Your project will show how much you care; now let your voice tell them! Talking Tag is an exciting new product that allows you to record a message and attach it to your project. All you need is a Talking Tag and the FREE TalkingTag™ app (available via [talkingtag.mobi](http://talkingtag.mobi), iTunes® or Google Play™).

<b>9.50 € / £7.25</b>	129723	Talking Tag message labels (sheet of 10)
